

## 2016年 国際学会

### □The 76th the American Diabetes Association Scientific Sessions

2016.6.10-16 New Orleans, USA

(Poster)

- The functions of glucose-responsive ATP-sensitive potassium channels in the peripheral nervous system of mice.

Himeno T, Kamiya H, Seino Y, Naruse K, Hayami T, Motegi T, Noda S, Okawa T, Kondo M, Tsunekawa S, Seino S, Nakamura J.

- Biological actions of glucagon in the peripheral nervous system.

Motegi M, Kamiya H, Himeno T, Kondo M, Noda S, Hayami T, Kato Y, Nakamura J.

- Biological actions of dipeptidyl peptidase-4 inhibitors in the peripheral nervous system.

Noda S, Kamiya H, Himeno T, Kondo M, Hayami T, Motegi M, Kato Y, Nakamura J.

(Oral)

- Transplantation of induced neural crest cells derived from 3D dermal stem / progenitor cells improves diabetic polyneuropathy in mice.

Kondo M, Kamiya H, Himeno T, Okawa T, Naruse K, Kato Y, Isobe K, Nakamura J.

### □11th IDF-WPR Congress 2016 & 8th AASD Scientific Meeting

2016.10.27-30 Taipei

(Symposium)

- Current and future strategies for treatment of diabetic neuropathy.

Nakamura J.

(Poster)

- Sequential changes in clinical findings of diabetic patients by replacing insulin glargine with degludec.

Kato Y, Kamiya H, Tsunekawa S, Kondo M, Himeno T, Yamada Y, Ando T, Asano S, Shimoda H, Kato K, Nakamura J.

- Once-weekly DPP-4 inhibitors: The clinical efficacy and treatment satisfaction

in 51 Japanese patients with type 2 diabetes mellitus.

Tosaki T, Kamiya H, Himeno T, Kato Y, Kondo M, Inagaki A, Yamamoto Y,  
Tsubonaka K, Oshiro C, Nakaya Y, Hayasaki T, Nakamura J.

- Eating habits of 84 diabetic out-patients with increased HbA1c level or Body weight in SGLT2 inhibitors Treatment.

Kudara A, Tosaki T, Nozawa M, Murase Y, Takate R, Kyono Y, Kidokoro S,  
Hayasaki T, Kondo M, Inagaki A, Kamiya H, Nakamura J.

- Performance comparison of average daily risk range obtained by continuous glucose monitoring and self-monitoring of blood glucose in diabetic outpatients.

Komiyama M, Kato Y, Hirai N, Takagi M, Yamaguchi K, Tsunekawa S, Kondo M,  
Himeno T, Kamiya H, Nakamura J.

□The 5th International Oda Memorial Symposium

2016.11.18 Tokyo, Japan

(招待講演)

- Causes of death in Japanese patients with diabetes.

Nakamura J.
